Step 1: Draw a block letter erasing any stray pencil marks.

Step 2: Outline the letter using black thin sharpie. Put a dot somewhere on the page.

Step 3: Draw an even number of lines from the dot to the edges of the page.

Step 4: Mark every other shape in and around the letter with an "x".

Step 5: Color in all the "x"s using black sharpie. (Or first complement from pair chosen)

Step 6: Finish by coloring the white areas with 2nd complement or leave it white if black was used.
