Step 1: Draw two vertical lines towards the center of the rectangle.

Step 2: Add two more close to the first two lines.

Step 3: Continue drawing vertical lines to the left of the vertical group. Add horizontal lines close to the center.

Step 4: You should have 10 vertical and 10 horizontal lines with a group close together in the center.

Step 5: Mark every other box with an “X” until completed.

Step 6: Color in every box marked with an “X” in Sharpie.
